

# MEDICAL REVIEW TOOLKITS

At Integrity Advantage, we understand that one of the greatest areas of value comes from strong medical record reviews. Our goal is to empower payer FWA teams to help maximize return on investment. Through a variety of tried and true methods, our templates, examples of completed work and how-to guides will help strengthen your medical record review process. Let's get started!

## REIMAGINE THE VALUE OF YOUR FWA PROGRAM WITH OUR TOOLKITS

### STARTER

This kit includes templates needed to successfully complete all stages of medical records reviews.

### ADVANCED

This includes all Starter kit templates in addition to examples of completed work to enhance the understanding and implementation of the templates.

### PRO

This includes all Starter templates, Advanced examples of completed work, comprehensive guides to operationalize a complete medical review function and 2 hours of virtual training!

## EMPOWER YOUR SIU

Supporting the detection, investigation and prevention of healthcare fraud, waste and abuse for payers is our niche and we love what we do! We know these kits will add tremendous value because we use these to provide great service to our clients every day.
